This price action diagram is only the foundation of the Strat but works on ALL time frames!

- 1 Inside Candle. Consolidation/Tightening Range/Don't trade within them
- 3 Outside/Engulfing Candle. Breaches BOTH sides of previous candle.
3's are a broadening formation on a smaller time frame
- 2 Directional Candle. (Direction it breaks from previous candle)
There are two types of 2's. 2 Up and 2 Down
